How to Make a Happy Marriage/The Little Habits of the Happiest Marriages

marriage/couples' conferences • date nights • relationship events

Raise your hand if you want a happy, peaceful, fun relationship that you enjoy every day. Yeah? Me, too? Yet sometimes we land in confusion, conflict and heartache instead.

But it doesn't have to be that way. It turns out: it is not only possible to create a great marriage, it is likely! Even if only one spouse is working on it. Yes, you read that right!

After a 3 year investigative national study of what people in the happiest relationships do differently – and what they did to get them there – in groundbreaking research Shaunti has identified several surprisingly simple little actions and habits that make a huge difference. Whether you want to make a great relationship even better or are trying to breathe new life into a struggling one, this encouraging and fascinating talk will leave you saying, “I had no idea that such-and-such mattered so much...but I can do that!”

Encourage stronger relationships today!

A Simple Guide to the Inner Lives of Women

(What every man needs to know!)

men's events • couples' events • sermon interviews

Believe it or not, it is easier than men ever thought, to understand a woman and make her happy.

Based on research with more than 5,000 women for Jeff and Shaunti Feldhahn's book *For Men Only*, this road-tested message is filled with simple "to-do's" that will lead to great success as a husband or boyfriend—and to great peace in the home.

This topic can be delivered just to men, or to couples as part of a Jeff and Shaunti marriage conference.

It changes marriages!

What Hollywood Gets Wrong About Sex- And What Couples Can Do Right

This talk is a great add on to a marriage event.

Based on a fascinating three-year research study for their book, *Secrets of Sex & Marriage*, sex therapist and pastor Dr. Michael Sytsma and/or best-selling author and social researcher Shaunti Feldhahn debunk common bedroom myths, share the factors and actions that matter most, and help every couple move toward the intimate life they have always wanted. This talk is approachable, can be tailored to fit any audience (including being "Sunday-school safe") and filled with actionable knowledge and "aha moments" for any couple. The research and clinical foundation makes this information listeners can trust, from both a scientific and faith perspective

If Shaunti is already at your church for a marriage event, invite her to stay and speak in your Sunday service.
