Putting the Happily Back in Ever After

marriage/couples' conferences • date nights • relationship events

Jeff and Shaunti focus around three core topics: understanding men, understanding women, and the little habits that create happy marriages. To dive even deeper into your relationship, you can add a talk on intimacy based on Shaunti's latest book, *Secrets of Sex and Marriage*.

This candid and fascinating talk series, based on Shaunti and Jeff's research, is filled with **aha!** moments that unveil the inner workings of each spouse—challenging couples with doable ways to support each other in the unique ways they need most.

This series can be crafted in many ways:

- » in person events or via video
- » as a multi session marriage weekend with Jeff and Shaunti
- » combined for a short, fun date night talk
- » can include interactive Q&A time and discussion groups
- » can be tailored to include premarital couples

A Simple Guide to the Inner Lives of Women

(What every man needs to know!)

men's events • couples' events • sermon interviews

Believe it or not, it is easier than men ever thought, to understand a woman and make her happy.

Based on research with more than 5,000 women for Jeff and Shaunti Feldhahn's book *For Men Only*, this road-tested message is filled with simple "to-do's" that will lead to great success as a husband or boyfriend—and to great peace in the home.

This topic can be delivered just to men, or to couples as part of a Jeff and Shaunti marriage conference.

It changes marriages!

What Hollywood Gets Wrong About Sex- And What Couples Can Do Right

This talk is a great add on to a marriage event.

Based on a fascinating three-year research study for their book, *Secrets of Sex & Marriage*, sex therapist and pastor Dr. Michael Sytsma and/or best-selling author and social researcher Shaunti Feldhahn debunk common bedroom myths, share the factors and actions that matter most, and help every couple move toward the intimate life they have always wanted. This talk is approachable, can be tailored to fit any audience (including being "Sunday-school safe") and filled with actionable knowledge and "aha moments" for any couple. The research and clinical foundation makes this information listeners can trust, from both a scientific and faith perspective

If Shaunti is already at your church for a marriage event, invite her to stay and speak in your Sunday service.
