

A romantic couple embracing outdoors at sunset. The man, wearing glasses and a dark blazer over a white shirt, is kissing the woman on the cheek. The woman, with long brown hair and red lipstick, is wearing a denim jacket over a light blue dress. They are standing on a paved path with trees in the background, bathed in the warm glow of the setting sun.

Understanding the Other Half

If you have ever wondered what your spouse is thinking, this talk is for you! With research from her bestselling books *For Women Only* and *For Men Only*, Shaunti and Jeff will challenge you to see your partner in a new way.

Habits of the Happiest Marriages

If you want to have a happy marriage, it helps to learn from those who have them, too! Drawing on a three-year national study of what the people in the happiest relationships do differently, Shaunti and Jeff identify the little actions that make a huge difference.

Let's Talk about Sex (What Hollywood Gets Wrong & What Couples Can Do Right)

Based on a three-year research study for *Secrets of Sex & Marriage*, Shaunti and Jeff debunk common bedroom myths and help every couple move toward the intimate life they have always wanted.

WHAT OTHERS are saying

“Shaunti Feldhahn has uncovered a mountain of meaningful information for any woman wanting to understand men at a profound level.”

Drs. Les & Leslie Parrot, authors and founders of the Center for Relationship Development

“Do not underestimate the importance of Shaunti's research. It changes everything.”

Gary Chapman, author of The 5 Love Languages

“Shaunti and Jeff are such pros at presenting to married couples. We loved how they used their research, their stories, and their sense of humor to bring Highly Happy Marriages to light. Their research proves to be beneficial to all who want to improve their marriages and enjoy a gift God has given them.”

Jeanne Lytle, Director of Women's Ministry, CEO Forum

ABOUT

Shaunti and Jeff Feldhahn are best-selling authors, popular speakers, and internationally renowned social researchers. Nearly twenty years ago, this average couple stumbled over some things they just didn't “get” about each other. They have been using their analytical backgrounds to help other semi-confused couples decode each other ever since.

Today, they share life-changing truths from science and scripture to help audiences discover practical and biblical ways to thrive in life and relationships.
